Rider Levett Bucknall has delivered an Acquisition Management role to H3G, the only 'pure play' 3G network operator in the UK.

Rider Levett Bucknall has full life-cycle acquisition experience, in particular managing multi-functional disciplines in a team environment and external regional acquisition agents, for successful delivery of cell sites in a timely manner. To fulfil the above role Rider Levett Bucknall has also undertaken direct liaison with site providers/landowners/property organisation and government bodies.

Client Benefits

- Cell Site Acquisition
- Acquisition Agent Management
- Co-ordination of multi-disciplinary teams
